

NC ACCESSIBILITY CODE VOLUME I-C

- The North Carolina Accessibility Code 1999 requires the following minimum wheelchair seating for bleachers:

<u>TOTAL SEATING CAPACITY IN ASSEMBLY AREAS</u>	<u>MINIMUM NUMBER OF REQUIRED WHEELCHAIR SEATING LOCATIONS</u>
4 to 25.....	1
26 to 50.....	2
51 to 300.....	4
301 to 500.....	6
501 or more.....	6 plus 1 additional space for each total seating capacity increase of 100

One companion seat adjacent each wheelchair seat is required.

- Where bleachers are raised on a platform requiring a ramp for handicapped accessibility, the ramps must occur at both ends. (One end having steps only is prohibited.) It is recommended that steps and ramps be provided at both ends
